

**Two
Illinois
Bell
Marine
Services!**

1 Fast, low-cost, 2-way radiotelephone "Chicago." Stands watch twenty-four hours a day. Covers all lake and river channels. Other advantages, too!

2 VHF radiotelephones custom-built for your ship. Why buy when it's cheaper to have Illinois Bell install and maintain your equipment. We provide either 6-volt DC or 110-volt AC, 60-cycle VHF units with facilities for up to 6 channels. Other advantages!

For complete information about these services, write Ship Telephone Service, Illinois Bell Telephone Co., 212 W. Washington St., Chicago 6, Ill. Or call Official 3-9300—Ext. 4096.
